Dear Reader:

The Bureau of Land Management (BLM), Safford Field Office has issued a Final Decision renewing the grazing permit for the Ash Peak allotment. A copy of the Final Decision and the BLM's responses to protests of the Proposed Decision are enclosed. Small changes were made to the Environmental assessment (EA) in response to some of the protest points. As such, the EA and Finding of No Significant Impact have been posted on the BLM's e-Planning web site here: <http://bit.ly/AshPeakEA>

If you have any difficulty accessing the above link, or would like a compact disc copy of the documents, please contact Sharisse Fisher at (928) 348-4413. If you would prefer a hard copy of the EA or FONSI mailed to you, please contact Barbara Peru at (928) 348-4449. If you have any other questions regarding this grazing permit renewal, please contact the Assistant Field Manager at (928) 348-4426.

Sincerely,
